RESPONSE TO NOTICE TO FILE MISSING REQUIREMENTS
AND REQUEST FOR WITHDRAWAL OF NOTICE

We are writing in response to the Notice to File Missing Requirements erroneously issued on June 12, 2007. We filed the application complete through EFS-Web on September 13, 2006.

Contact was made to Ms. Deborah Williams regarding the notice being issued incorrectly and we asked that the notice be withdrawn and the Official Filing Receipt and Notice of Acceptance be issued on the case. We stated that the declaration is listed on the items submitted with the initial filing and was also showing in the image file wrapper in Private PAIR for this case. She then asked for us to fax a copy of the electronic filing receipt showing that the declaration was in fact filed with the initial application (copy enclosed). The fax was sent to her attention on June 26, 2007.

Further contact was made on July 17, 2007 and July 19, 2007 asking about the status of the Notice to File Missing Requirements withdrawal and the Filing Receipt/Notice of Acceptance. She asked for us to fax in a second copy of the declaration to her attention, and did not want to accept the EFS-Web receipt as proof that the declaration was already filed. It was explained to her that it is not our practice to send in the second copy of the declaration because of the risk of being charged the late declaration surcharge and having the 371 date being stated on the date it re-sent, as opposed to the originally filed date.

I am therefore sending in an official request to withdraw the notice and attaching a copy of the receipt showing the declaration was in fact filed on September 13, 2006. We kindly ask that the Official Filing Receipt and Notice of Acceptance be issued on this case as soon as possible.

Respectfully submitted,

By: /gfr4/
